

AES_init_ctx

```
graph LR; A[AES_init_ctx] --> B[KeyExpansion]
```

A flow diagram showing a process flow. On the left is a gray rectangular box containing the text 'AES_init_ctx'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'KeyExpansion'. Both boxes have a thin black border.

KeyExpansion
