```
graph TD; A["C:/Users/ivicente/Desktop  
/BRANCH_ACC_WIFI/src/FRCP/frcp.c"] --> B["stdio.h"]; A --> C["string.h"]; A --> D["types_basic.h"]; A --> E["frcp.h"];
```

The diagram illustrates the dependencies of the file `frcp.c` on various header files. A central box at the top represents the source file, with four blue arrows pointing downwards to four separate boxes representing the headers: `stdio.h`, `string.h`, `types_basic.h`, and `frcp.h`.

`stdio.h`

`string.h`

`types_basic.h`

`frcp.h`
