

ux\_dcd\_initialize

```
graph LR; A[ux_dcd_initialize] --> B[g_sf_el_ux_dcd_fs_0_err_callback]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'ux\_dcd\_initialize'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'g\_sf\_el\_ux\_dcd\_fs\_0\_err\_callback'.

g\_sf\_el\_ux\_dcd\_fs\_0  
\_err\_callback
