

AES\_CBC\_decrypt\_buffer

```
graph LR; A[AES_CBC_decrypt_buffer] --> B[InvCipher]
```

The diagram illustrates a data flow from a buffer to a cipher object. On the left, a white rectangular box with a dark border contains the text 'AES\_CBC\_decrypt\_buffer'. A blue arrow points from the right side of this box to a gray rectangular box with a dark border on the right, which contains the text 'InvCipher'.
