

sha2_hmac

```
graph LR; A[sha2_hmac] --> B[sha2_hmac_finish]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'sha2_hmac'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is gray with a black border and contains the text 'sha2_hmac_finish'.

sha2_hmac_finish
